

The Dark and Visible Side of the Universe ISAPP 2017

ISAPP doctorate school exploring the connection between
dark matter searches and high-energy astrophysics

26 June - 5 July 2017

Texel island, the Netherlands

Registration Deadline 1 February 2017

High-energy astrophysics

**Gamma rays,
neutrinos, cosmic rays**

**Dark matter models &
distribution**

**Indirect searches
for dark matter**

**Collider searches
for dark matter**

Astroparticle statistics
